Dade Difference

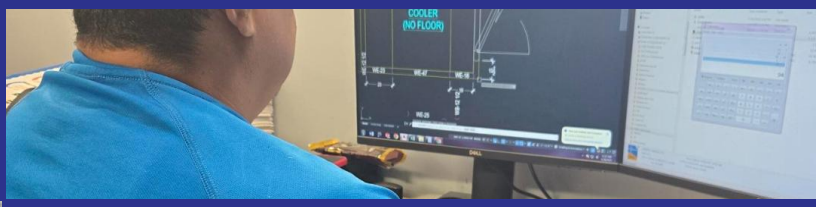
Top reasons why Dade is different!

Warranties ranging from **1, 5-, 10-, 15- and 50** years depending on foam insulation choice.

Three (3) foam variants, EPS, XPS for walk-ins and **PIR** for cold storage commercial cold storage warehouses.

Each project includes a **free, inclusive quote drawing,** customize for you & no charge for changes to drawings.

Turn-key installation on industrial panel projects - we manufacture our own doors & hardware - one stop shop!



Walk-in doors are designed with **two (2) custom chrome, spring-loaded door hinges** vs. industry standard.

Patent pending, **Cam Lock, field reversible design** within insulation panels – flexible design!

American manufacture, headquartered in Florida, we are the 1st approved vendor for BlueHawk HVAC Group.

UL, UL7, NSF, EISA code compliant & fire tested. Proud members of **NAFEM, NACS and MAFSI.**
